

Geography Project: The 7 Wonders of the Modern World

- This week our focus is geography. As part of our learning on world geography we will be learning about the **Seven Wonders on the Modern World**.
- First, watch the following video to familiarise yourself with the 7 Wonders of the Modern World <https://www.youtube.com/watch?v=7Dbuc6vIRnE>

Task:

- Create a project on the Seven Wonders of the Modern World. See below for full instructions.
- Please use search engine www.kiddle.co instead of google when doing research for the project.
- I would love to see photos of this work once complete if you are able to send some on! Your parents can send photos to me using the Aladdin app, or alternatively photos can be emailed to us at: admin@naascns.ie for the school newspaper.

Investigate the 7 Wonders of the Modern World.

Create a poster OR a Powerpoint OR a Scrapbook!

- Name the 7 Wonders of the *Modern World*.
- Include a picture of each.
- Can you show on a map where in the world they are located?
- How many years did it take to construct?
- Year of completion
- Give a brief history of each wonder.
- Can you give an interesting fact about each
