

# Sixth Class Project Assignment

## Topic: World War Two

You don't need large white sheets for your project if you don't have them at home. Instead do your project on white A4 paper, pages from your copy, **recycled paper/card** or coloured paper.

Write the project in your own words , showcasing your handwriting, presentation, grammar, punctuation and paragraph skills.

If you don't have a printer, you could try to do the illustrations yourself 😊

## Try to include the following topics and features in your project:

- A timeline of the war
- Hitler's rise
- Blitzkrieg, The Blitz and The Battle of Britain
- Jewish people and the war
- The American and Japanese war
- Other important figures during the war
- Germany's surrender
- The aftermath of the war
- Ireland during WWII
- Interesting facts about the war

Here are some suggested websites to find information for your project
