

Thursday 07/05/2020

*Happy Thursday! Its nearly the weekend already!*

*We are going to continue with our project work. Keep the pictures coming in.*

English: Do the plan for Chapter One of your book. Use the following hints to help you.

- Introduce your main characters.
- Describe what normal life is like for your characters.
- Describe the setting (where the book is based)
- Put a hook in the end of your chapter. A hook is something that makes the reader want to keep reading. It could be something exciting that happens at the end of the chapter, it could be a secret that won't be revealed until the next chapter, something awful happens to a character and we have to wait until the next chapter to find out are they OK.

Gaeilge: Find the Irish word for 10 things in your sitting room/living room/TV room.

Maths: Measure the height of everyone in your family and answer the following questions. Write all your answers in a) cm and b) m and cm:

- What is the height of the shortest person?
- What is height of the tallest person?
- What is the difference between the tallest and shortest person?
- What is the total height of everyone in your family altogether?
- What height are you?
- What is half your height?
- What is double your height?

Music: Think of three songs that make you think of summer. Listen to each of the songs and write the names of the song, the artist and why they make you think of summer. E.g. One of my favourite summer songs is Mr. Blue Sky by Electric Light Orchestra because the lyrics are all about the rain and clouds leaving and the sun shining and making everyone happy.

Art: Draw a simple picture of a flower. Draw your flower nice and big, especially the petals. Use the pictures below to help you. Don't colour your flower in. We will be doing that tomorrow!

PE: <https://family.gonoodle.com/> Do two videos a day.

Housework: Do at least one piece of housework.

Diary: Write a diary for each day of the week. Use the following headings to help you:

- Housework – how did you help out in the house?
- Exercise – what exercise did you do?
- Highlight – what was the best part of your day?
- New Information – what did you learn today?
- Feelings – How do you feel today?
- Goal – Write one thing you'd like to achieve tomorrow.

I hope you are all keeping safe and are making the best of the extra family time. Don't forget to help out at home and be good. Don't annoy your poor parents too much!!!

Looking forward to seeing the pictures of your amazing work.

All the Best,

M. Ruairi
