

# Naas CNS Newsletter

26th September 2024

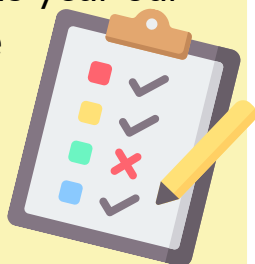

Dear Families,

The month of September has gone by in a flash, with lots going on in our school. We were delighted to welcome two new Junior Infant classes, along with new pupils in classes throughout the school. It has been great to see everyone settling so well into their new routines. We have also seen some changes on our campus in the last number of weeks with continued construction & development work on behalf of Craddockstown Special School, the installation of safety bollards along our pathways, and new padding installed on the basketball posts. We have a busy few months ahead with in-school events, class trips, and Maths & Science Week too! Keep an eye on Aladdin, class blogs and future newsletters for further details on these.
